Scam Warning

Have you received an email bearing my name, but originating from an email address other than @cwilson.com? Does it suggest urgent action needs to be taken to preserve your trademark™ rights?

It is not from me and not legitimate.

Read more in this advisory from the College of Patent and Trademark Agents.

Jeffrey Vicq is a partner of the firm and Chair of the Intellectual Property and Information Technology Groups.

He has extensive experience with intellectual property law matters and with complex

commercial law issues that typically arise in the development, implementation, exploitation and transfer of information technology-related products and services.

"Jeff responds with substantive answers to client questions rapidly and with advice that reflects a level of understanding of trademark strategy that is second to none. For an in-house counsel, he's a dream – you won't find a better or more practical law firm partner."
