

Private Company Mergers & Acquisitions

Profile

Growth. Change. Dynamism. The principles that embody business are also mirrored in our legal practice as we help our clients advance and succeed in their markets. Our extensive knowledge, experience and expertise means we can guide and assist our clients through the most complex corporate transactions with continued support after the transaction closes. We take the time to understand our clients' business in order to structure the deal effectively and create opportunities for the growth.

We provide sophisticated advice on mergers, acquisitions, divestitures and other significant corporate transactions to privately owned businesses of all sizes and across a variety of industries.

Services

- > Acquisition and ownership arrangements
